OUR PART FALLS INTO THE STAGE
WHEN CREATIVE IDEAS COMPLETE
THEIR PRENATAL PROCESS AND ARE
ABOUT TO COME ALIVE.
THIS IS WHY WE CARE EACH PRODUCT
OF OURS AND WORK FOR THEM TO BE PERFECT.

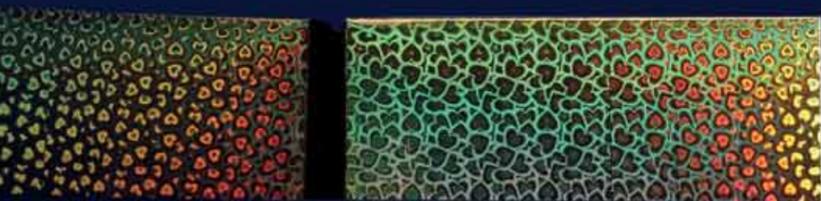

EYES TASTE THE PRODUCT FIRST...
 THE FOOD SECTOR IS ONE OF THE
 SECTORS ABOUT WHICH WE ARE
 ASSERTIVE THE MOST.
 WE KNOW THE TASTE FINENESS OF
 A QUALIFIED FOOD PACKAGE THAT
 ENCHANT EYES.

18

OUR POINT OF VIEW IN
TERMS OF OUR BUSINESS IS
NOT ONLY RESTRICTED TO
PROFESSIONAL INTEREST.
WE LOVE OUR BUSINESS AND
TRY TO PROVIDE OUR CUSTOMERS
WITH MORE THAN THEY EXPECT.

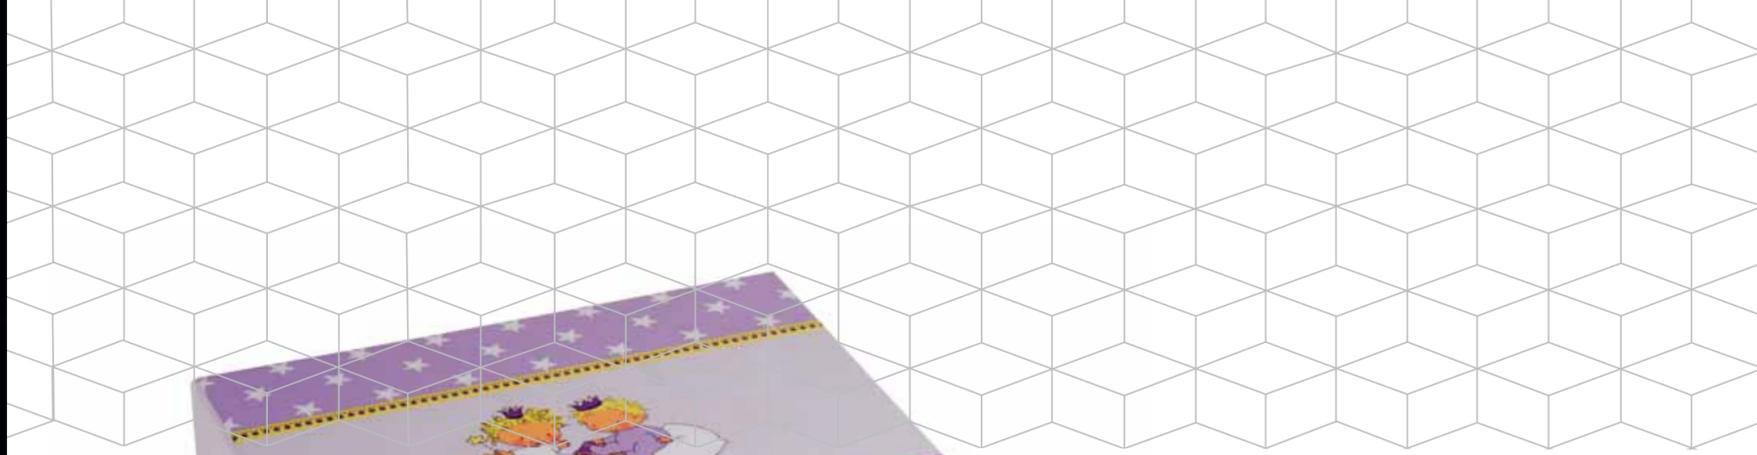

20

STIFF BOXES

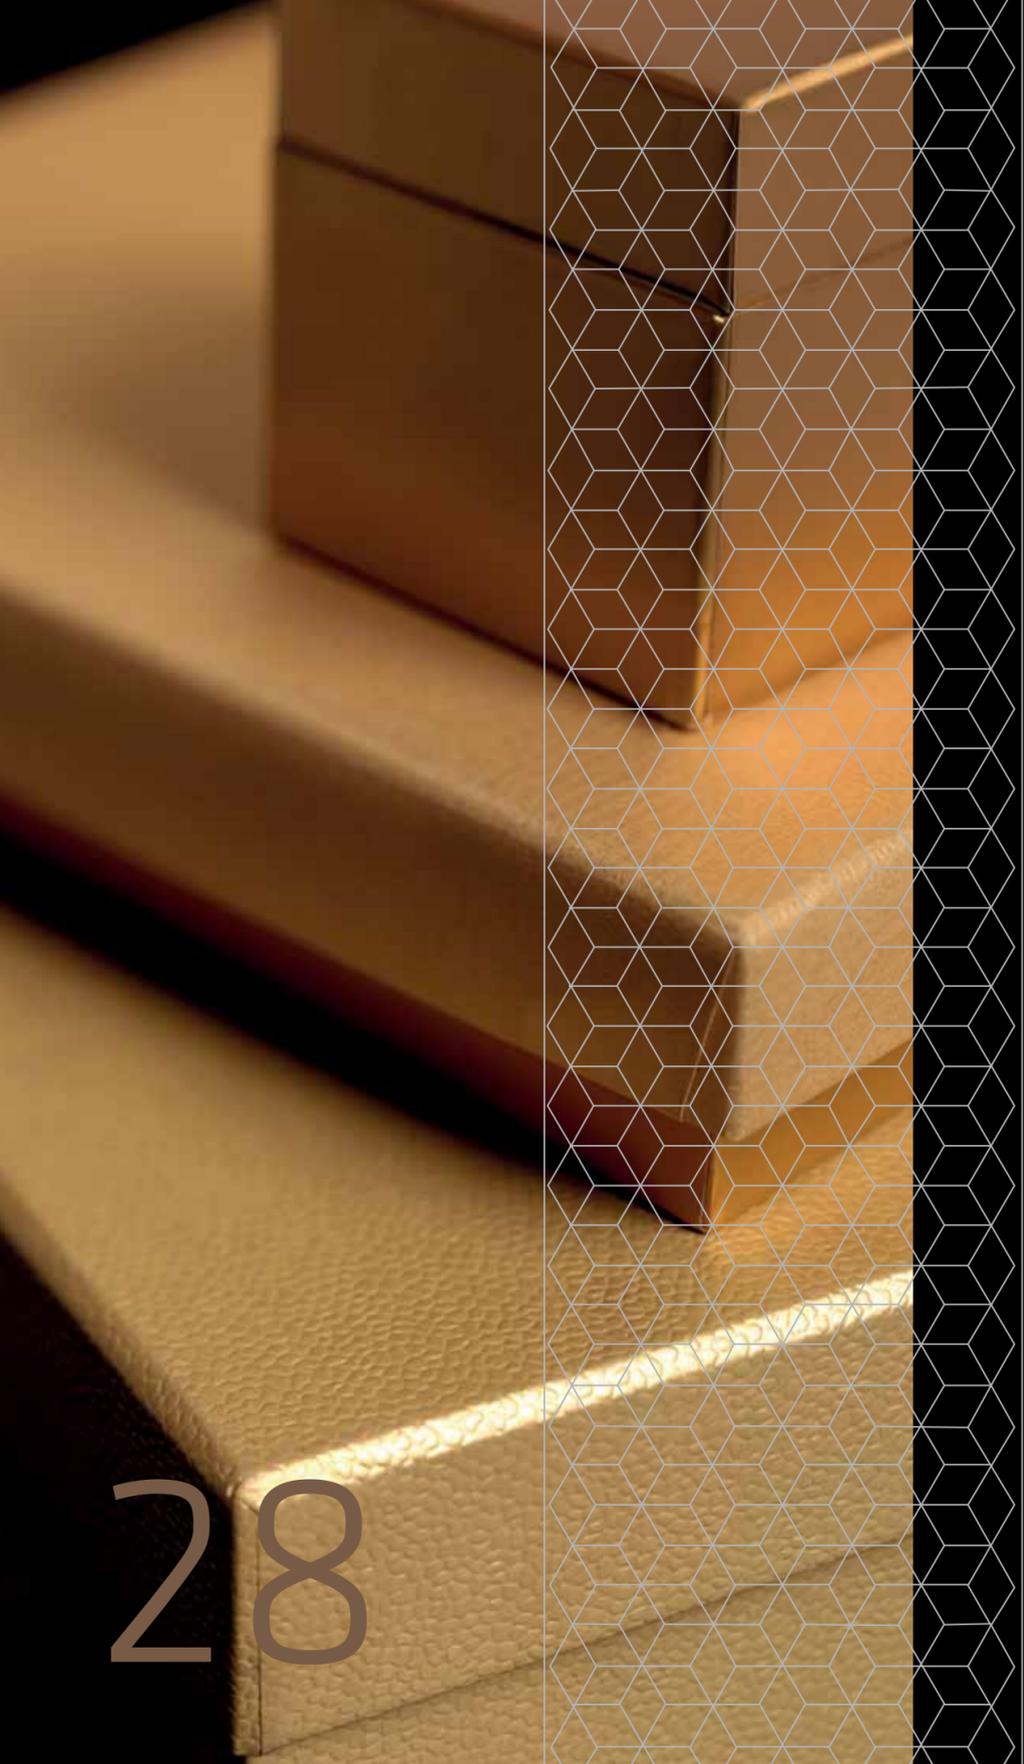

22

OUR SECTOR LOVES QUALITY AND TECHNOLOGY. WE OFFER SPECIAL ADVANTAGES TO OUR CUSTOMERS DUE TO OUR INTEGRATED PRODUCTION SYSTEM UTILIZING THE CUTTING-EDGE TECHNOLOGY.

INTEGRATION MEANS
QUALITY IN BOX PRODUCTION.
FULL AUTOMATIC MACHINES OF COLORIST
HAS 16.500 SHEET OFFSET PRINTS,
2.200 STIFF BOXES, 200.000 BOX FOLDING
CAPACITY PER HOUR.

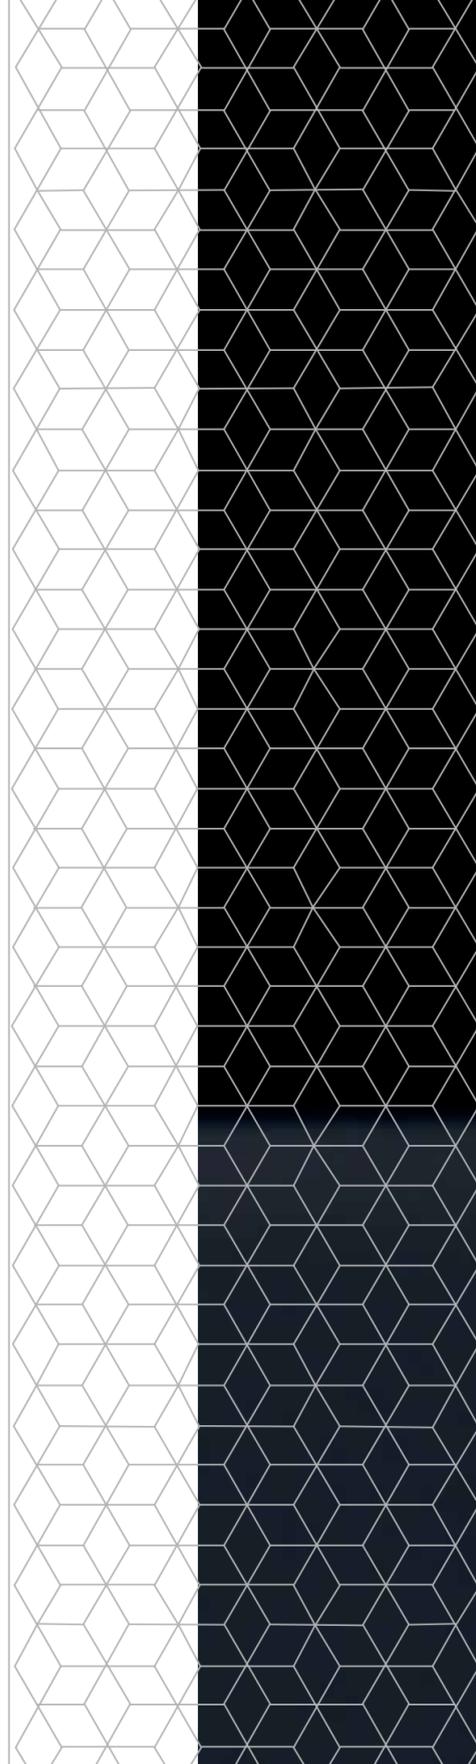

28

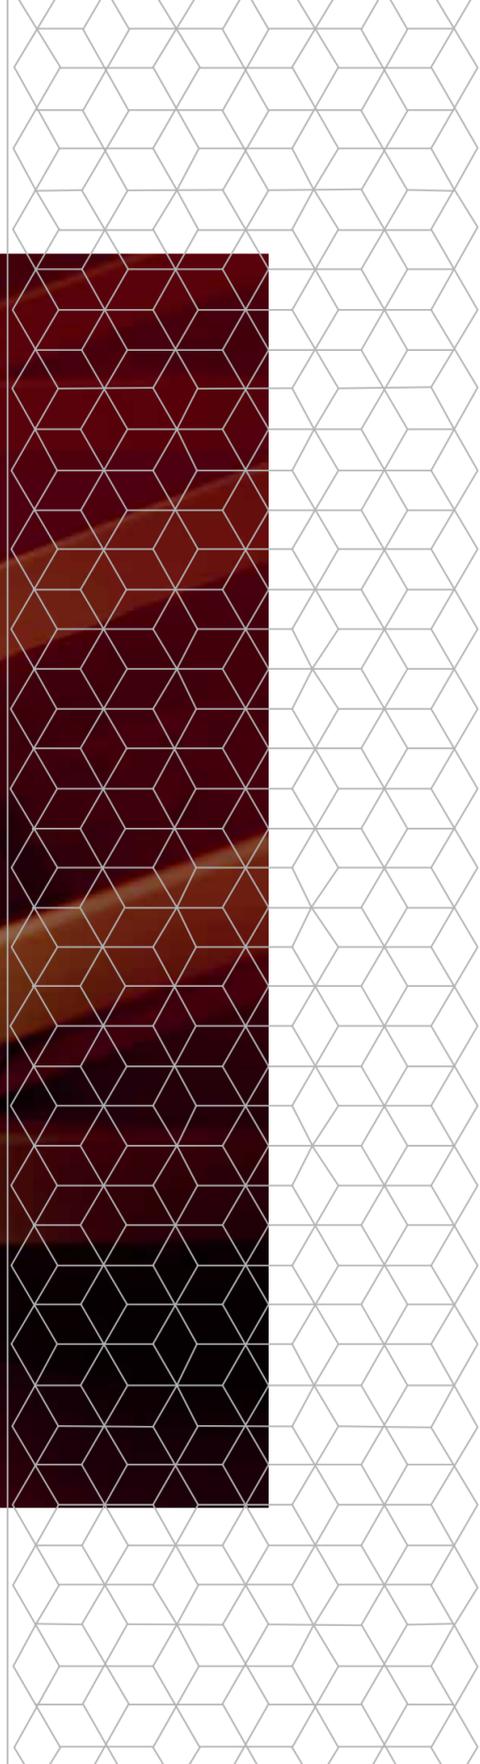

TOP AND BOTTOM BOXES CAN BE
PRODUCED AT THE SAME TIME
DUE TO OUR FULL AUTOMATIC MACHINES.

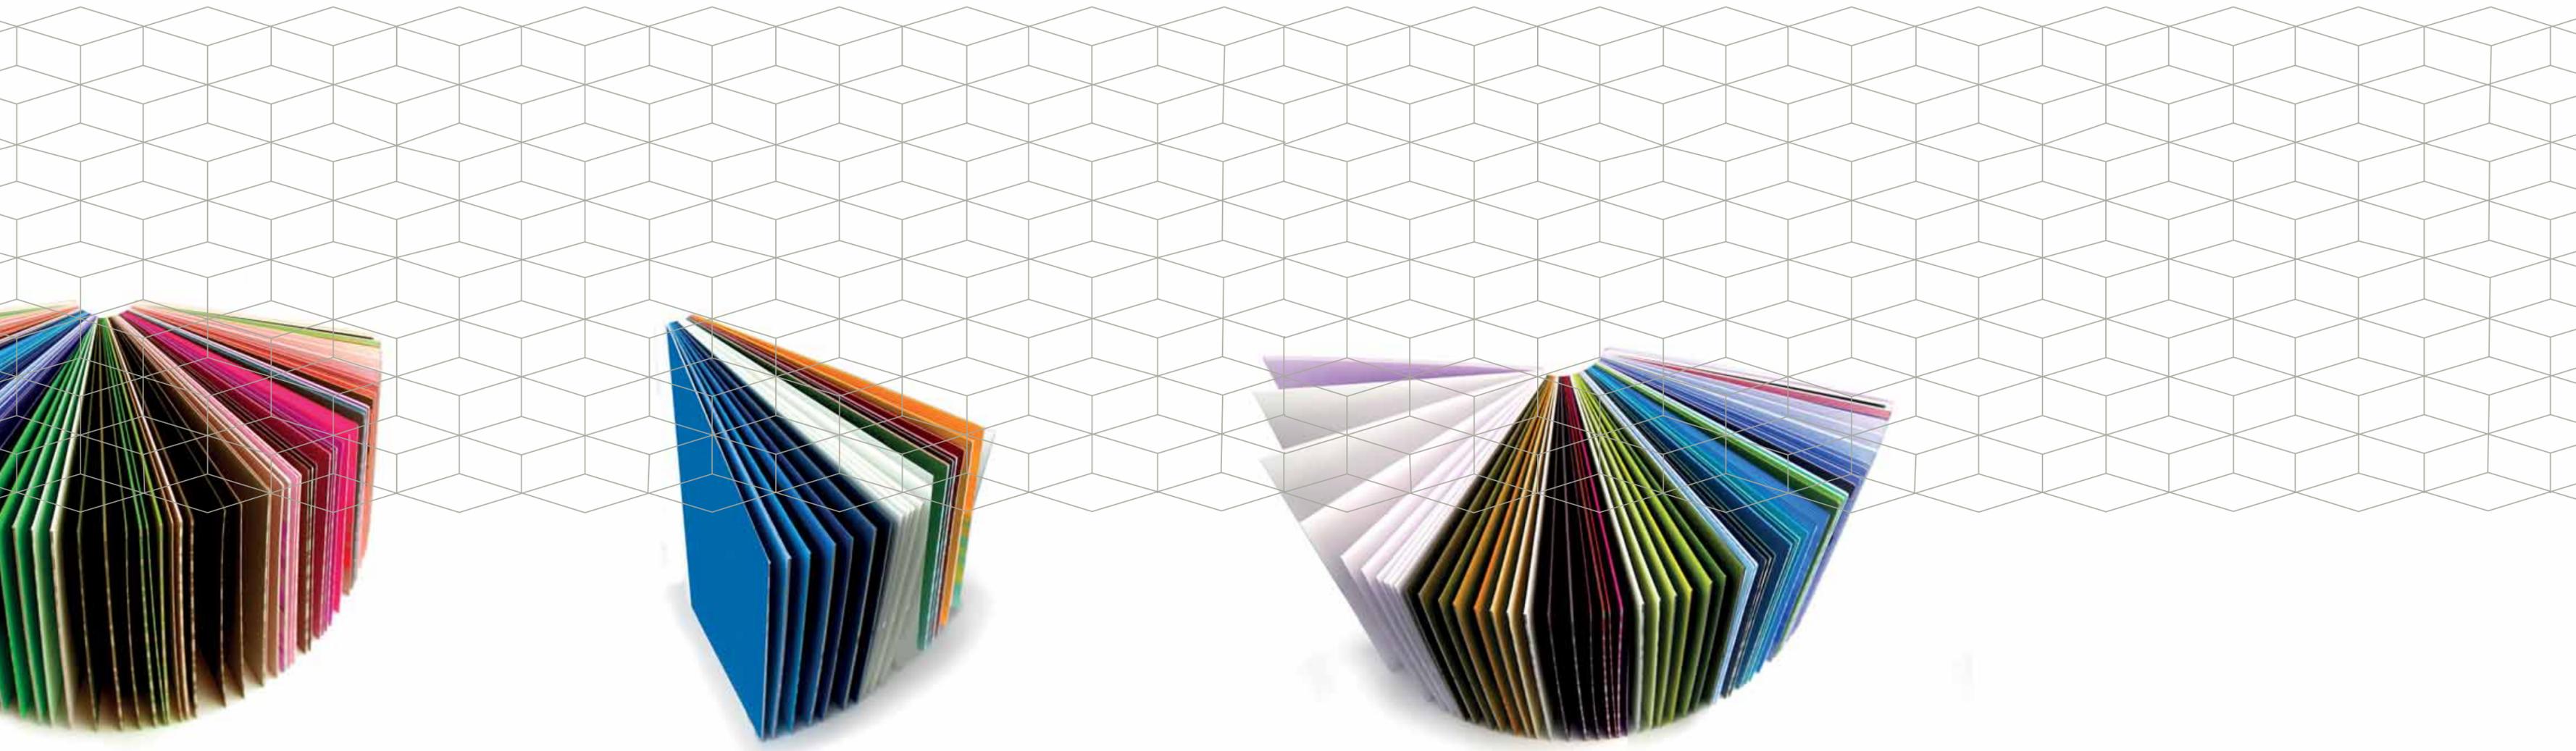

30

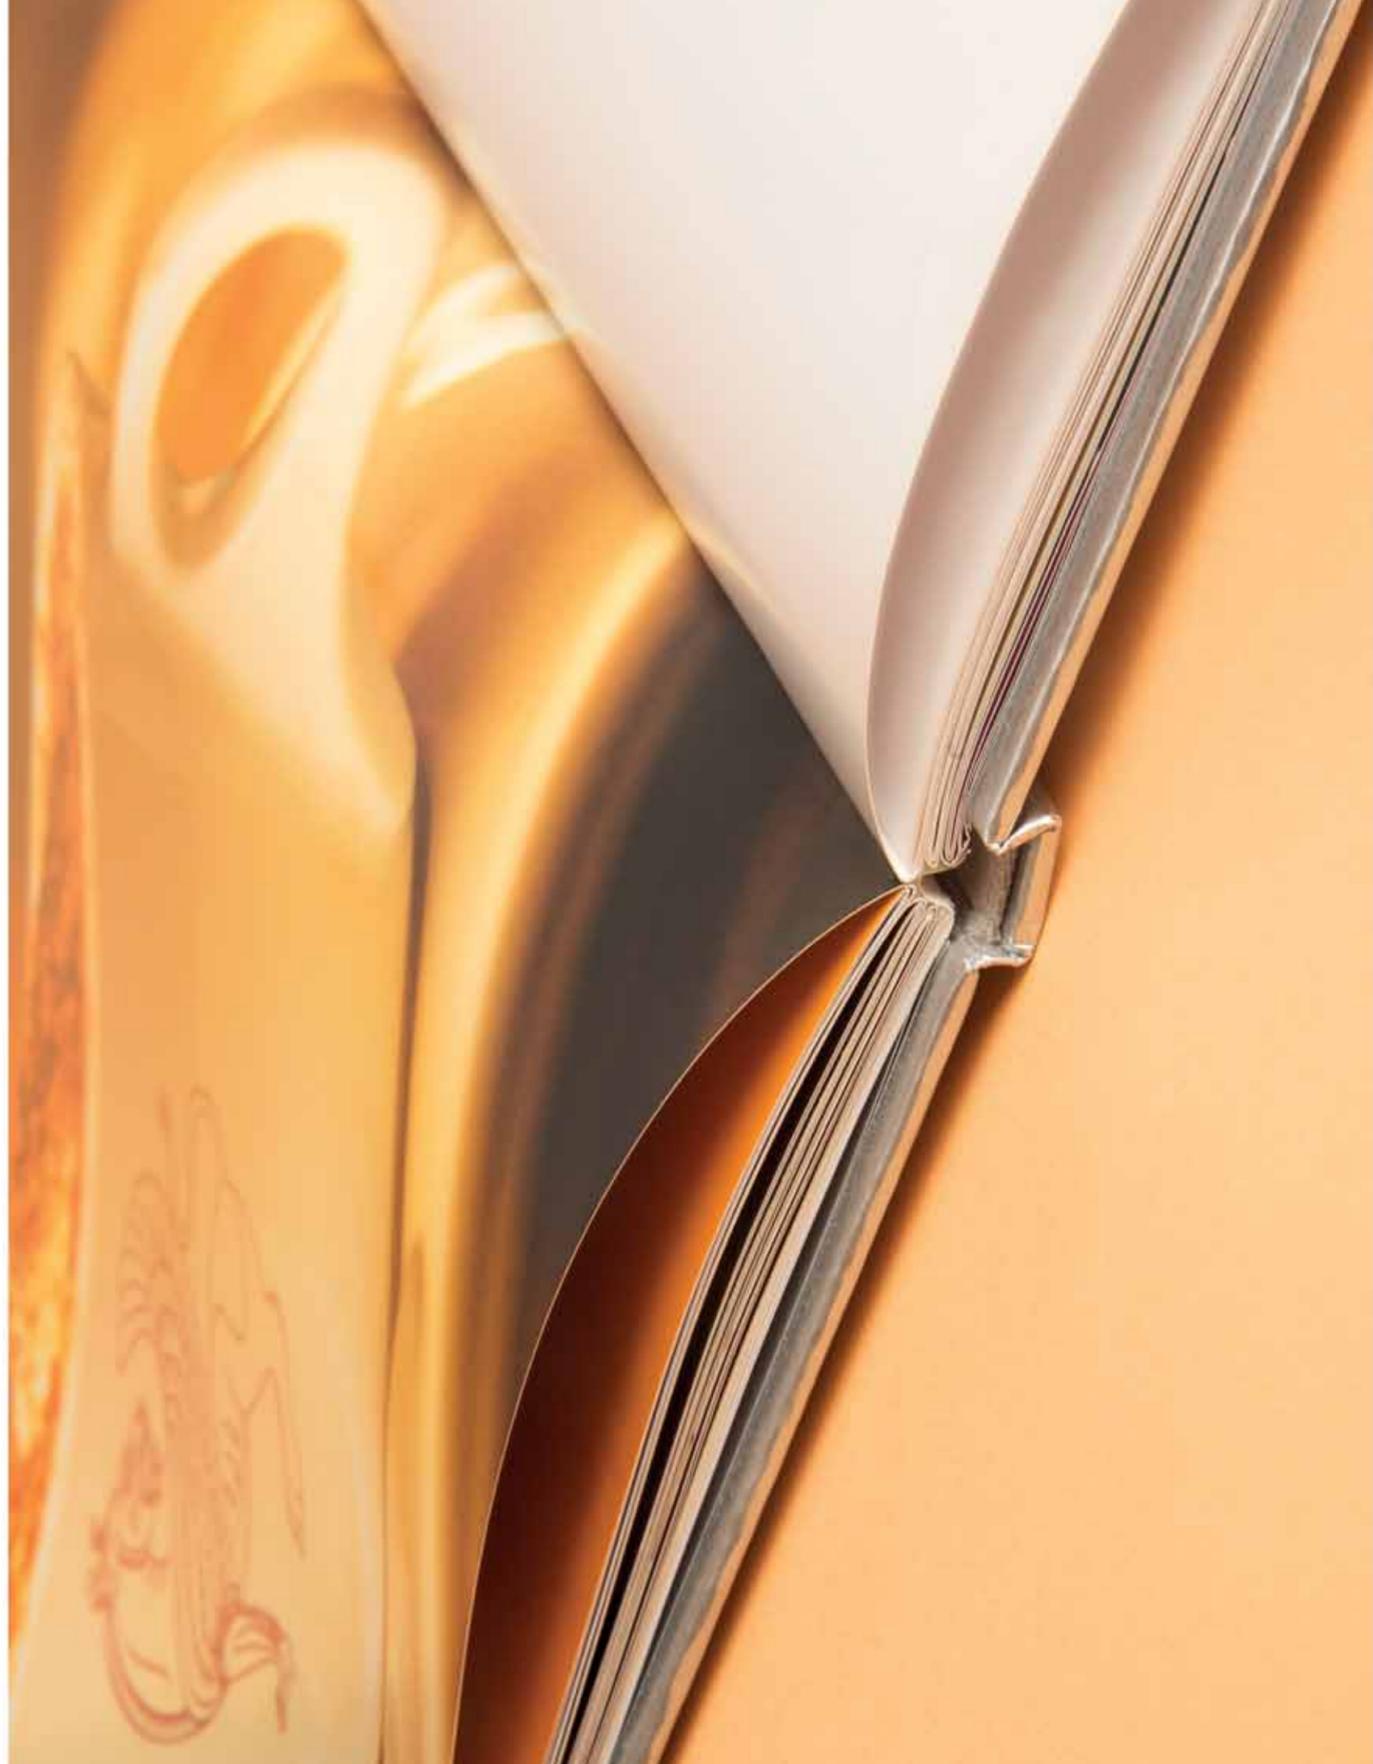

DO NOT CARE ABOUT THE STIFFNESS OF STIFF BOXES, THEY ARE DELICATE STRUCTURES CONTAINING EXCITEMENT AND HAPPINESS. THEIR PRODUCTION REQUIRES EXPERIENCE AND A SPECIAL TECHNOLOGY. THIS IS THE REASON WHY ARE PREFERRED BY THE LEADING LOCAL BRANDS SUCH AS BIOTA, VESTEL, ÜLKER, EVYAP, TAÇ AND KARACA.

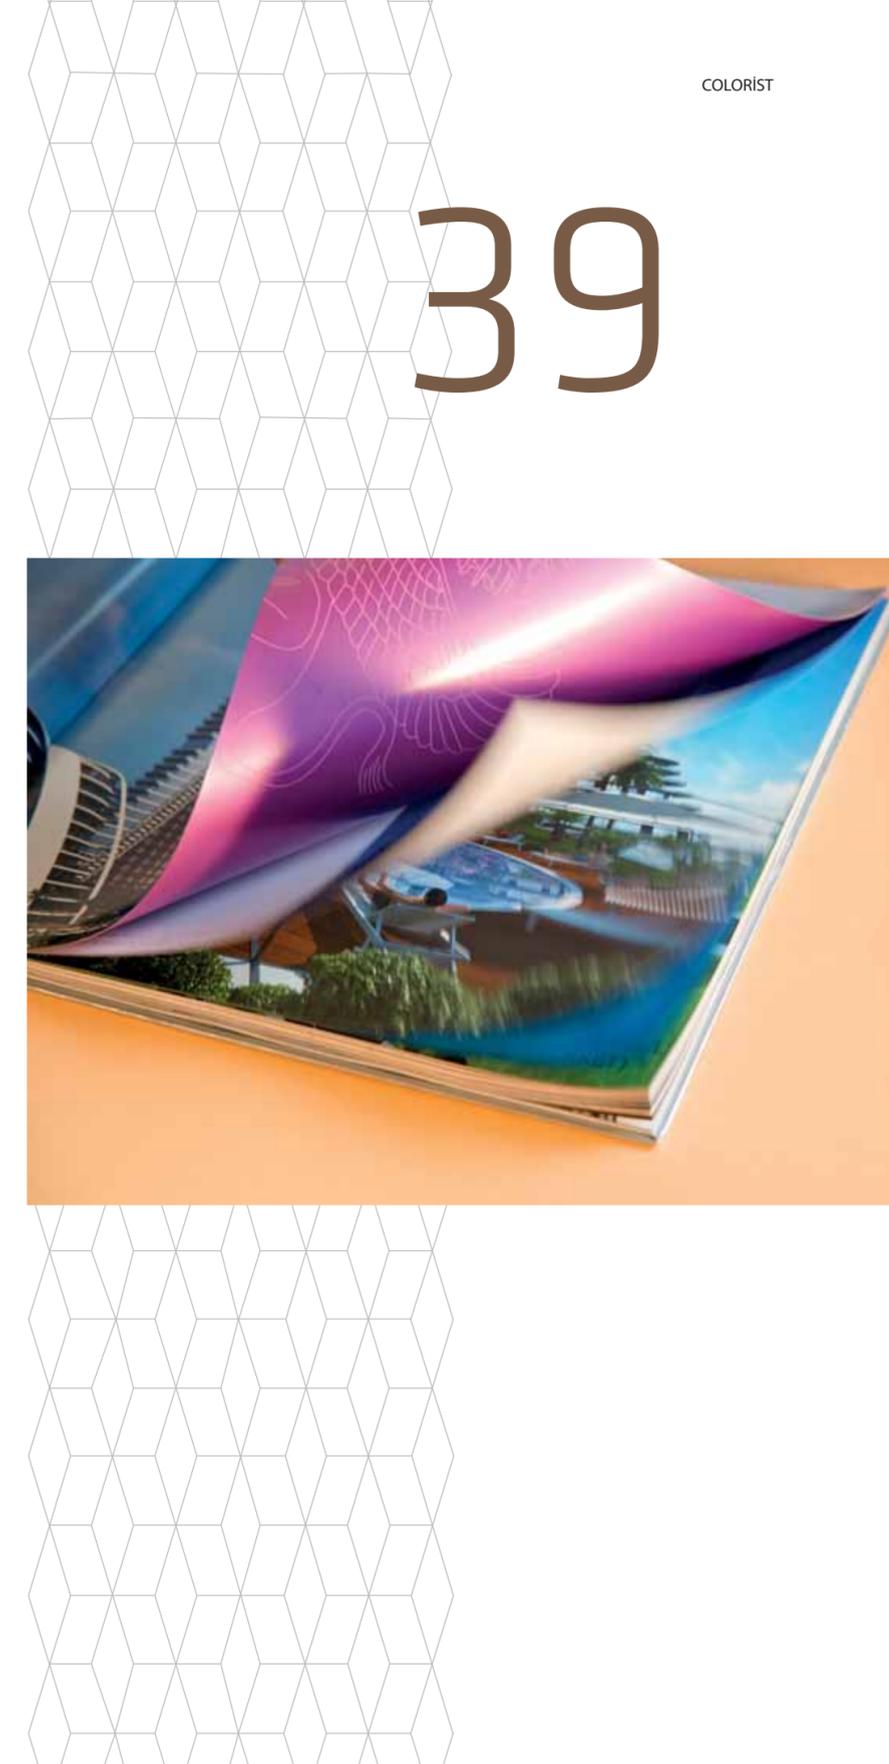

EVEN THOUGH OUR AREA OF SPECIALIZATION IS PACKAGING AND BOXES, OUR SERVICES ARE NOT RESTRICTED TO THEM. OTHER PRINTING SERVICES ARE ALSO INCLUDED IN OUR AREA OF ACTIVITY AND ALL OF OUR OPERATIONS ARE CARED EQUALLY.

40

DRIP MATS

The structure of drip mats as a media is convenient for all sorts of messages. Depending on the situation, they may have prestigious and serious or funny and entertaining brand images or messages easily.

Our drip mats produced by Colorist are more qualified than average mats due to their paper structure and special material. They allow long-lasting use opportunity and are environment friendly.

Our drip mats do not only serve as drip mats. They can take different shapes. They may take the shapes of all sorts of forms produced by your imagination such door hangers, desktop games and three dimensional images. At this point, the limit is the edges of your imagination. If you share what you need, we will be happy to help you.

PRE-PRINTING

Pre-printing is the centre of the work. Everything starts here. Graphic documents of either a box or a catalogue are primarily reviewed according to the standards required by our colour management system. After all of the details are analysed, cromolyn proofs and blueprinted works are taken into production stage after the approval of our customers.

PRINT

The backbone of our infrastructure in the printing technology is formed by KBA, one of the leading brands of the world. We have a strong technologic infrastructure particularly KBA Rapida 105+L+6 CX ALV2.

- Hot foil printing

POST-PRINTING

Analysing the details of a challenging cover work, actualising a complex box project, finding creative solutions in effect lacquered printing or noticing the detail problems of a workpiece requiring special blades and rectifying them... The entire effort of our expert team is to actualise the project without leaving any detail of the project to chance.

At the end of the work, enjoying the products being revealed as a result of countless efforts is a different type of excitement. We deliver the products to the required address anywhere in the world after packaging, labelling and packing one by one or in groups the finished products which have the required features.

56

A good print and a good coffee have common points.
The taste of the work is hidden in the expertise
in both of them. Our being the preferred printing
house in Turkey and in many countries is the result
of expertise filtered by our 25-year sectoral experience.
We expect you to have our coffee...
